

Excalibur Academies Trust

Common Admission Policy for 2018/2019

October 2016

Introduction

Excalibur Academies Trust is an all-through Multi-Academy Trust (MAT) that places high emphasis on developing a coherent and continuous learning journey from 3-19. This is achieved by Excalibur Primary Academies working in close harmony with St John's International Academy and by member schools of the Marlborough Area Education Partnership (MAEP).

The students of the Academies in the Trust and their communities are of paramount importance. Whilst we would like to accept every student who applies, this is not possible if we are to preserve the high educational standards and opportunities that are our hallmark. The Trust's Admission Authority therefore applies strict Oversubscription Criteria to all applications reflecting this. The Academies in the Trust are individually listed in Appendix A.

Applications

The Trust is the Admission Authority for all Academies in the Trust and it participates in the Local Authority Coordinated Admissions Scheme; all Applications for Normal Entrance to an Academy (Infant or Reception class of a Primary and Year 7 for Secondary School) and all in-year admissions and transfers should be submitted via the Local Authority Coordinated Admissions scheme¹; applications for a Sixth Form should be submitted to the Sixth Form College directly at admissions@excalibur.org.uk.

A. Applications for Normal Entrance to an Academy

Children should start Primary Education in the academic year (1st September to 31st August) in which they have their fifth birthday. Children reach compulsory school age at the beginning of the term following their fifth birthday, but, in Wiltshire, most pupils are admitted from September in the academic year in which they turn 5. Parents can request that the date their child is admitted is deferred until later in the year or until the child reaches compulsory school age. Pupils will normally be admitted at the start of a school term. Parents can request that their child attends part-time until the child reaches compulsory school age.

Children will start Secondary Education in the academic year they have their twelfth birthday (they will be eleven on 1st September in the year of entry).

There are NO automatic entries from a nursery or Pre-school into a Primary School, nor from a Primary School into Secondary, nor from Secondary into Sixth Form and there is NO automatic offer of a Sibling place (a place for a brother or sister). Therefore an application must be made for a school place for each child.

Application forms are available from the Local Authority. The closing date for receipt of applications by the Local Authority is midnight on the National Deadline date which for Primary Academies is 15th January 2018 and for Secondary Academies is 31st October 2017. Any application received after the National Deadline will be treated as a Late Application.

The Admission Authority will determine and publish how many children it will admit into Reception, Year 7 and the Sixth Form in September – this is the PAN (Published Admission Number) for that year group for each Academy. Should the Admission Authority decide it can offer more than the PAN in any one year, information will be posted on the website of the Academy and the Local Authority will be informed. Parents/carers will be notified of the outcome of their application by the Local Authority for Primary and Secondary schools, which will be posted on the National Offer dates: for Primary Education 18th April 2018; or Secondary Education 1st March 2018. Offers for a place at an Academy will need to be accepted within 2 weeks of posting of the notification letter.

Admission of children outside their normal age group

Parents of gifted and talented children, or those who have experienced problems or missed part of a year, for example due to ill health, can seek places outside their normal age group. Such Applications will be considered on the basis of the circumstances of each case. Parents have a statutory right to appeal. This right does not apply if they are offered a place in another year group at the school.

¹ Except for applicants outside of the relevant county, who need to apply through their local council.
Excalibur Academies Trust's Common Admissions Policy 2018/19

Right of Appeal

If an Application is not successful, the applicants have the right to appeal against the decision to an independent panel. Appeals should be made within 20 school days and addressed to the Appeals Clerk % the Trust's Admission Authority at admissions@excalibur.org.uk.

Waiting Lists

When an Application has been unsuccessful, a child's name will be added to a Waiting List for the relevant Academy held by the Admission Authority. Children on the Waiting List are ranked in order with reference to the Oversubscription Criteria. The position on a list will be determined by applying the Oversubscription Criteria and not by date order of receipt. This will mean a position will change if a later application is received from someone with higher priority according to the Oversubscription Criteria. Waiting lists for all year groups will close on the last day of the 2018/19 academic year - at which time they will be cleared. Places that become available will not be offered to children who are not on the relevant waiting list. Offers will be made when a place becomes available. If your child is offered a place from a waiting list then you must accept or decline the place within 10 working days of the date of the offer.

All applicants have the right of appeal against any refusal of a place. The existence of a waiting list does not remove this right from any unsuccessful applicant. A fresh application can be made for a place for the next academic year group but this will not be considered before 1st May 2019.

B. Other Applications for a Primary or Secondary Academy (Reception and for Years 1 to 6, Years 7 and 8 to 11)

Applications for a school place which are not for Normal Entrance into the Academy or which are Late Applications (Applications which were submitted after the National Deadline) are determined as follows:-

- a. **Immediate Admission** - applications for an immediate start, e.g. moving into the Catchment Area of an Academy by transferring from another school. The Application should in the first instance be made to the Local Authority who will pass the application on to the Admission Authority. The application will be considered by the Admission Authority using the Oversubscription Criteria as specified in this Policy. Notification of the outcome will usually be made within 20 school days of the Admission Authority receiving the application from the Local Authority.
- b. **Future Admission** - applications for admission at a future date. The application should in the first instance be made to the Local Authority who will pass the application to the Admission Authority. The application will be placed on the waiting list for the year group applied for. They will be considered by the Admission Authority using the Oversubscription Criteria in this policy at the earliest date they are eligible for consideration which is one traditional term (3 per year) in advance of the requested admission date.

If admission is refused, parents have the right to appeal as detailed above in the 'Application for Normal Admission to an Academy' section. The parent may also wish to put the child on the Academy's waiting list.

C. Applications to the Sixth Form College (Years 12 ,13).

It is envisaged that there will be sufficient spaces available for all students completing Year 11 at the Academy and that there will be spaces available to students applying from other schools for Year 12 entrance.

The Academy offers a wide range of courses based on grades achieved at GCSE: acceptance is based on a student's capability of benefiting from a course as published in the Sixth Form Prospectus. Admission to the Sixth Form and any particular course will depend on students being appropriately qualified to start that course. Although admission will not be dependent on interview, a course guidance meeting may be advised.

Admission to the Sixth Form will respect parental preference as long as the academy offers the course and the prospective student has appropriate prerequisite qualifications for the course.

In the event of oversubscription, the highest priority is Looked After Children as detailed in the Oversubscription Criteria below. Applications to individual courses will be ranked according to the straight line distance from the Academy to the home address, using the Ordnance Survey eastings and northings to four decimal places. Priority will be given to the shortest distances.

If admission is refused, parents have the right to appeal as detailed above.

Oversubscription Criteria for Primary and Secondary Academies

The Criteria are listed below in the priority order applied to Applications when there are more Applications than available places.

Applications will be considered by category and sub-category as listed below. Within each sub-category, applications will be ranked according to the straight line distance from the Academy to the home address, using the Ordnance Survey eastings and northings to four decimal places. Priority in each sub-category will be given to the shortest distance. In case of the distance being the same a Tie Breaker will be used (see below).

1. Looked after Children

This criterion applies to looked after children (see glossary) and all previously looked after children. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Further references to previously looked after children in this Code means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after.

2. Vulnerable Children

Children from families registered with the National Asylum Support Service; children or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application from a senior clinical medical officer and the general practitioner or specialist showing that it would be detrimental to the child or family not to admit to the preferred school (details of this must accompany the initial application); and children with particular educational needs where written evidence is available from Central SEN services to show that it would be detrimental to the child not to be admitted to the

preferred Academy.

For the purpose of the above criteria the word 'families' is determined as living at the same address at the time of application and also living at the same address on a permanent basis. Proof will be required.

3. Children attending Linked Excalibur Academies

a. In-Area and attending a Linked Excalibur Academy

A child is considered under this criterion if the child lives within the Catchment Area and is attending a Linked Excalibur Academy at the Application Deadline and continues to do so through to the end of the school year.

b. Out-of-Area attending Linked Excalibur Academy

A child is considered under this criterion if the child lives outside the Catchment Area and is attending a Linked Excalibur Academy at the time of the Application Deadline and continues to do so through to the end of the school year.

4. Children living in the Catchment Area of the Academy not attending a Linked Excalibur Academy

a. In-Area with Siblings

A child is considered under this criterion if the child lives within the Catchment Area and has a Sibling living at the same address who is on the roll of the Academy as at the Application Deadline and continues to be so when the child is admitted.

b. In-Area and on Roll

A child lives within the Catchment Area and is on the roll of one of the Academy's Feeder Schools at the application deadline and continues to do so through to the end of the school year.

c. Other In-Area Applications

A child is considered in this category if he/she lives within the Catchment Area.

5. Children of Excalibur Employees

Children of Excalibur Employees on a permanent, minimum 40% Full Time Equivalent contract with the Trust for two or more years at the time at which the application for admission is made or who have been recruited to fill a vacant post for which there is a demonstrable skill shortage.

6. Out-of-Area Applications for children not attending a Linked Excalibur Academy

a. Out-of-Area with Siblings

A child is considered under this criterion if the child lives outside the Catchment Area and has a Sibling living at the same address who is on the roll of the Academy at the time of the Deadline Date and continues to be so when the child is admitted.

b. Out-of-Area On-roll

The child lives outside the Catchment Area and is on the roll of one of the Feeder Schools

c. Any Other Applications

Children living outside the Catchment Area who do not qualify under one of the criteria above.

Academy Application and Admission Timelines

Primary

See the Local Authority website.

- **15th January 2018, midnight** - National Primary Deadline – applications must be received by the Local Authority by midnight. The Local Authority will issue a receipt for all applications received; if confirmation is not received; parents/carers must follow up with the Local Authority to ensure the Application has been received and will be processed.

- **1st September 2018** - Normal Entrance Admission date – on or after.

Glossary and Definition of Terms

Adopted - This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

Catchment Area - The address which determines whether a child lives in the Catchment Area of the School, is the place where he or she is ordinarily resident at the deadline for applications and will continue to do so when the child is admitted. The Catchment Areas of individual Academies are defined in Appendix A.

Final Year - The Final Year of a primary or junior school is year six and an infant school year two. The Final Year of a secondary school is year eleven and for a Sixth Form, year thirteen.

Linked Academy - An Excalibur Academy may have one or more other Excalibur Academies that immediately precede it in terms of educational phases, these are to be regarded as its 'Linked Academies'. For example a secondary Excalibur Academy may have linked primary and/or junior Excalibur Academies; a primary Excalibur Academy may have linked Excalibur pre-schools. All Linked Excalibur Academies must be part of Excalibur Academies Trust and are listed in Appendix A.

Schools that join the Trust to become an Excalibur Academy after this policy has been determined but before the relevant Application Deadline are to be considered as Linked Excalibur Academies for the purposes of Admissions.

Looked After Children - A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

Children with Special Education Needs (SEN) or Education, Health and Care (EHC) Plan - All children whose Statement of Special Educational Need or Education, Health Care Plan names a school must be admitted.

Sibling - Siblings are defined as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters. Note there is no guarantee that a younger Sibling will obtain a future place in the same school as his or her brother or sister.

Tie Breaker - When two or more children with the same priority for admission live exactly the same distance from the preferred School, the available places will be decided by random allocation (casting lots), except when the children are twins or from the same multiple birth, in which case their applications will be treated as a single application and the twin or other children of the same multiple birth will be admitted as supernumerary (above PAN without in effect increasing PAN).
